

The main objective of this project is to analyze retail sales data to gain actionable insights that will enhance the performance of the coffee shop.

Recommended Analysis

- How do sales vary by day of the week & hour of the day?
- Are there any peak times for sales activity?
- What is the total sales revenue for each month?
- How does the sales vary across different store locations?
- Which products are best selling in terms of quantity and revenue?
- How do sales vary by product category & type?
